

# TEACHERS & STUDENTS!

**Back by popular demand, the Newspapers in Education program is proud to bring you Gridiron Geography 2011!**

Teachers, sign up today to receive this free educational program in your classroom.

Utilizing the Big 12 football games as a guide, your students will learn weekly fun facts and trivia about U.S. geography. The program will contain a 16-page student supplement, delivered to your school and weekly trivia questions printed in *The Oklahoman* from September 2 to December 2.

**The Gridiron Geography program is targeted to grades 4 through 8 and includes:**

- Delivery of one classroom set (25 copies) of the printed Gridiron Geography student supplement the week of August 29.
- Digital delivery of *The Oklahoman* for 14 weeks on the days the weekly trivia questions are published.
- Downloadable teacher's guide with PASS Standards available at <http://nie.newsok.com>.

Registration form must be received by August 28, 2011.
